

CONTINUING EDUCATION

REQUIREMENTS TO RENEW YOUR LICENSE....DON'T WAIT GET THEM DONE

As you know continuing education is required in order to renew your license and we are 12 months away with that renewal date getting here quicker then you think.

Don't delay and get your continuing education completed and checked off your to-do list.

The State of Michigan requires you to complete 3hours of credits in the 2017 licensing cycle (cycle ends May 2017) in order to maintain your Builders and M&A Contractors License.

Join us for a 3 hour session that will include **codes, legal, and safety in a one time bundle class.**

The following trades as well as all builders are required to complete continuing education including:

Basement Waterproofing, Carpentry, Concrete, Excavation, Garage Door Installers, House Wrecking, Insulation work, Masonry, Painting & Decorating, Roofing, Screen & Storm Sash, Siding, Swimming Pools and Tile and Marble installation.

At the end of each class all students will receive a certificate signed by the instructor verifying proof of attendance and ensuring your compliance to be sent in with renewal. Call the office 989-775-7747 for more information

Continuing Competency Education Codes, Legal, & Safety
